

**Ramsbury and Wanborough Surgery
Online Patient Forum
Tuesday 11th November 2025
1815—1845**

We are looking to host our first Online Patient Forum meeting to give patients an insight into Primary Care and your GP Surgery. This will be done via “Zoom” and as it’s our first, these are some of the topics that have been suggested: (please note you will not need to speak or be on camera)

The Day in the Life of a GP Surgery! What goes on behind the scenes? What are the major changes over the last few years and anything on the horizon?

Charity fundraising ideas – we will soon be nominating another Charity for next year and would really like to get some good funds raised to support the nominated Charity.

Military Veterans – we are very proud to be a Veteran Friendly Accredited Surgery – is there anything more we could be doing to support our Veterans?

“Greener Practice” – we are always on the search for ideas to reduce our carbon footprint and become “Greener” – any ideas out there to support this vision?

Carers/Young Carers – is this an area that you feel you could offer any support with in the Communities surrounding our Practice?

Organising any local Volunteer networks to support vulnerable patients during winter months

The Patient Survey 2025-6
